

The Mobile Thermo Fogger - Model 2108

Featuring:

- Large 20" ball bearing wheels
- Easy attachment to most vehicles with a hitch pin
- Big 3" mouth on formulation tank for easy filling
- Low maintenance-easy start Briggs&Stratton engine
- Flameless

One year limited warranty

Accessories:

Model 201 Push Kit. Converts the Model 2108 from a pull behind fogger into push fogger in just minutes. This allows fogger use when vehicle is not available or when distance and/or area favors walking with the fogger. Kit contains U-shaped handle and kickstand assembly, for stable parking.
