INDUSTRIAL MATS

Durite 108™

Patented in 1923, Durite is one of the toughest, long lasting anti-fatigue mats available today. Gives you dependable service indoors or out. Durite, the original tire-link mat, helps create foot comfort and safety traction especially where people stand for long periods of time. The open mesh construction provides excellent drainage and dirt retention. Durite 108 mats are easily rolled up for thorough cleaning and convenient storage. These industrial mats are perfect for in-plant applications at workstations, along assembly lines, in front of machines or in aisles and passages. Special sizes, beveled edges and irregular configurations available upon request.

Material: Recycled rubber links woven on galvanized wires

Thickness: 5/8"

Surface: Open mesh

Characteristics: **1 1 3**

Warranty: Standard warranty

Nosing Colors: Black, Yellow

Notes: For mats over 7' wide or 25' long, a special handling fee will apply.

Durite 108 matting is non-directional. All mats will be made in one piece if possible.

Weaving:

STRAIGHT HERRINGBONE

Item No.	Size	Weight (lbs./ea.)
----------	------	-------------------

Durite 108™

Standard Sizes, Herringbone Weave

108H1422	14" x 22"	5.4
108H1725	17" x 25"	7.4
108H2030	20" x 30"	10.4
108H2437	24" x 37"	15.4
108H3048	30" x 48"	25.0
108H3062	30" x 62"	32.3
108H3672	36" x 72"	45.0

Standard Sizes, Straight Weave

108S1422	14" x 22"	5.4
108S1725	17" x 25"	7.4
108S2030	20" x 30"	10.4
108S2437	24" x 37"	15.4
108S3048	30" x 48"	25.0
108S3062	30" x 62"	32.3
108S3672	36" x 72"	45.0

Special sizes available.

Herringbone Weave with black beveled nosing on all edges

108H2436BN	24" x 36"	15
108H3048BN	30" x 48"	25
108H3060BN	30" x 60"	33
108H3672BN	36" x 72"	45
108H4860BN	48" x 60"	50
108H4872BN	48" x 72"	60

Substitute S in place of H for Straight Weave.

Substitute SN in place of BN for Black Square Nosing.

Substitute YBN in place of BN for Yellow Beveled Nosing.

400S4860BN	48" x 60"	59.0
400S4872BN	48" x 72"	70.8

CUT SIZES & OPTIONS (MAXIMUM WIDTH 8')

ITEM NO.	DESCRIPTION
400S0000	Custom Size Mat
400E0000	Corners in excess of four
400A0000	Angular sizes
BN	Beveled nosing for surface mats
SN	Square nosing for recessed mats or butting edges

Material: Pile top rubberized fabric links from recycled tires woven on galvanized steel rods.

Thickness: Approximately 3/4"

Nosing (optional): Beveled (BN), Square (SN), or a combination of both.

Pattern: Straight weave unless otherwise specified.

Special Notes: Dimensions of standard sizes are approximate. Exact size cannot be guaranteed without nosing. Mats over 12' in length we recommend sectionalizing.

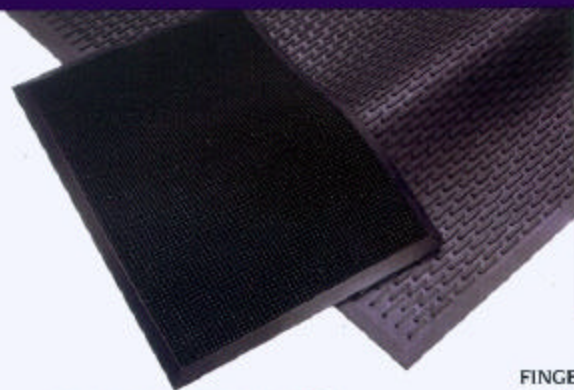

Dura-Rug 400

Carpet-like nap and open mesh construction absorb moisture and trap dirt from foot traffic.

Outstanding combination of attractive appearance and utility service.

Tough nap resists wear and retains its soft texture even in high traffic locations.

Easily rolled for convenient cleaning and storage. Not recommended for areas where large amounts of grease and oil collect.

Fingertip/Scrapper Mat

Material: Top quality molded rubber

Thickness: Fingertip: 5/8"

Scrapper Mat: 1/4"

Color: Black

Fingertip

396S1624	16" x 24"	5
396S2432	24" x 32"	10
396S3239	32" x 39"	17
396S3672	36" x 72"	36

Scrapper Mat

697S3660	36" x 60"	23
----------	-----------	----

FINGERTIP: Brushing action of thousands of resilient rubber fingertips wipe off dirt and moisture from footwear. Dirt is trapped out of sight below the walking surface. Corrugated pattern on the bottom helps prevent mat movement. All four sides have beveled edging to improve safety at the facility entrance. Shake, vacuum or hose to clean.

SCRAPER MAT: Enhanced traction in areas where extra safety is desired. Molded cleats act as anti-skid surface and scraper removing dirt and debris from shoe bottom. Moisture and dirt is retained in recessed wells helping eliminate tracked in grime. Heavy-duty nitrile rubber construction is recommended for the most demanding outdoor environments. Little maintenance needed. Backing is molded with grippers to stop mat from moving.
