

BRUTE

PORCELAIN & TILE CLEANER

- *Removes: Scale, Soap Scum, Water Spots, Mineral Deposits, Grease and Oil*
- *Safe to Use*
- *Nonfuming*
- *Green Mint Fragrance*

Description

Contains mild acid, wetting agents and solvents to remove scale from ceramic tile, brick, glass, shower stalls, etc. REMOVES: Soap scum, water spots, mineral deposits, grease and oil. BRIGHTENS: Stainless steel and chrome. CLEANS: Toilet bowls, urinals, ceramic and porcelain tile, tubs and sinks. This clear, pink, pleasantly scented, non-viscous food grade acid detergent is formulated for the cleaning and maintenance of toilet bowls, urinals, wash basins, porcelain and ceramic tile, sinks, shower stalls, chrome faucets and fixtures, glass shower doors, stainless steel bath tubs, and water fountain basins. Use of this product will clean and remove water spots and mineral deposits, rust, grease and oil, and soap scum from bathroom surfaces safely and effectively. Will not harm paint. Very safe to use. Non-fuming. Ready to use.

Areas of Use

Hotels, motels, locker rooms, health spas, nursing homes, hospitals, municipal buildings, jails, apartments, and schools.

Directions

Apply product at appropriate dilution concentration with a hand trigger sprayer, sponge, cloth or bowl swab or brush. Allow surface to remain wet for 2 to 3 minutes, then agitate surface with brush, swab or sponge. Rinse thoroughly and wipe dry to restore luster and to minimize water spotting.
