DRY FOAM CARPET

- Spot & Stain Lifter
- Removes Oil & Water Base Stains
- From Carpets & Most fabrics

Description

Safe for use on most expensive fabrics and carpets. Will clean and remove oil and water based spots because of the absorbing action of the white powder. The various soils that can be removed are: ball-point pen ink, beer, cake, candies, chocolate, cocoa, coffee, soft drinks, crayon, cream, egg white, grass, gravy, food grease, lubricating grease, grease pencil, hair lotion, jam or jelly, lipstick, make-up, marmalade, mayonnaise, mustard, lubricating oil, paint (if fresh), pencil, perfume, sauces, soot, tar, tea, tomato, typewriter ribbon, red wine, gasoline, shoe polish, ice cream, and similar stains. This product cleans rayon, wool, perlon, nylon, dralon, diolen, reclon, orlon and banlon. 20 ounce can.

Areas of Use

Hotels, motels, apartment complexes, office buildings, nursing homes, churches, contract cleaners, theaters, retail stores and malls, restaurants, health clubs, textile and garment industry, carpet manufacturing and maintenance, dry cleaners, and more.

Directions

Allow any moist stain to dry before cleaning. SHAKE WELL BEFORE USING. Before cleaning soiled area, test on inconspicuous part of fabric to make certain color or material is not affected. If the powder shows a tint of the fabric color, the dye is not fast and the powder cleaner should not be used. Hold can 10" away from spot to be cleaned, spray area then allow to dry completely until powder is white. Brush lightly or vacuum. On spots that contain sugar (honey, jelly, etc.) some traces may remain after cleaning. Just dampen brush or cloth and remove.
