

DEO-SOLV

DEODORIZED DEGREASER

DIRECTIONS: Deo-Solv may be diluted with up to 8 parts diesel oil or mineral spirits. Apply with sprayer, brush or mop directly to dry surface. Let stand for 3 to 10 minutes to allow for maximum penetration. Additional scrubbing aids in loosening heavy grime. Apply this product to the surface before surface area is wetted with water, this will insure maximum penetration.

DESCRIPTION: A safe but powerful industrial strength multipurpose flooring adhesive remover that even removes linoleum. Proven when properly used it works better than other degreasers. This solution is specially formulated to remove multi-purpose adhesives but it is also a very effective cleaner. It cleans everything from greasy machinery to paint covered hands. Removes everything from blood stains to oil marks to chewing gum, on just about any type of surface. The applications are unlimited. **Deo-Solv** is proven to be non-toxic and a non-irritant. It can be used to safely clean grease or tar from skin. It is also reusable, dirty solvent placed in a container will separate. Contaminants settle to the bottom, allowing clean **Deo-Solv** to be poured off from the top. This product was developed to contain no odor or a nice fragrance when being used for all kinds of jobs.

Available fragrances: orange, cherry, lime, mint, spice, or no odor.

AREAS OF USE: Auto, truck, machine shops, railroads, airplanes, farm equipment, shop floors, transmissions and marine equipment. This product works well in parts washer in shops of all kinds. Can be used on carpeting, fabric, ceramic tile, painted surfaces, wallpaper, cement, wood, metal, aluminum, plexiglass, most plastics and skin.

EFFECTIVELY REMOVES: Chewing gum, Oil, Crayon, Fresh paint, Blood, Waxes, Cosmetics, Tar, Grease, Asphalt, Duplicator Ink, Scuff marks, Adhesive Residue, and Multipurpose Adhesives.

CAUTION:

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY. KEEP OUT OF THE REACH OF CHILDREN.
