

TECHNICAL DATA SHEET

Product Name : Fog Kill Oil Base Insecticide

Description : A heavy oil based formula designed for use in thermal foggers that can deliver spray particle sizes within the aerosol size range. This product is a synthetic pyrethroid formula and is ideal for outdoor applications as well as indoors. (Note: It is a violation of federal law to use this product in a manner inconsistent with its labeling. See product label copy for specific information.)

Where to Use : For control of flies, mosquitoes and gnats in warehouses, restaurants and industrial institutions. Also for reduction in annoyance from flies, mosquitoes and gnats in backyards, patios, around swimming pools, and horse stables.

CAUTION: Harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. Avoid direct exposure to fog. Wash contaminated clothing prior to reuse. Do not contaminate food or feed. In food processing plants use only when plant is not in operation. Foodstuff should be removed or covered during treatment. Food processing surfaces and equipment must be covered during treatment, or cleaned with a detergent and rinsed with potable water before use. This pesticide is highly toxic to fish. Do not apply directly to water, to areas where surface water is present, or to inter tidal areas below the mean high water mark. Drift and runoff from treated sites may be hazardous to fish in adjacent waters. Do not contaminate water when disposing of equipment washwaters. This formula is combustible. Keep container sealed. Do not use, pour, spill or store near heat or open flame. IF SWALLOWED: Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material is taken internally. Do not induce vomiting as this may cause aspiration pneumonia. IF INHALED: Remove victim to fresh air. Apply artificial respiration if required. FOR SKIN: Remove contaminated clothing and wash affected areas with soap and water. FOR EYES: Flush eyes with plenty of water. Get medical attention if irritation persists. KEEP OUT OF REACH OF CHILDREN.

Container Disposal : See product label copy for specific information.

Spill Or Leakage Procedures : Contain spill. Keep out of surface waters & any sewers or water courses entering or leading to surface waters. Soak up with inert absorbent & place in properly labeled leak-proof containers for disposal.

Product Specifications:

EPA Reg. No: 10807-107

Active Ingredients : *Resmethrin*: 0.20%

Inert Ingredients : (*Contains Petroleum Distillates*) 99.80%

USDA: F1 Color: Colorless

Odor: Hydrocarbon/trace of lemon Flash Point: 111°F TCC

Lbs./gal.: 6.55 Shelf Life: One year in sealed container

HMS RATING: Health-2; Flammability-2; Reactivity-0; Personal Protection-B.
