**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner in consistent with its labeling.

**IMPORTANT-** Injury to or loss of desirable trees or other plants may result from failure to observe the followings. Do not apply, or drain or flush equipment on or near desirable trees or other plants or on areas where the chemical may be washed or moved into contact with their roots. Do not use on lawns, walks, driveways, tennis courts, or similar areas. Prevent drift of spray to desirable plants. Do not contaminate domestic waters. Keep from contact with fertilizers, pesticides, fungicides, and seeds. Thoroughly clean all traces of this product from application equipment immediately after use., Flush tank, pump, and boom with several changes of water after removing screens and screens (Clean these parts separately).

**GENERAL INFORMATION:** This product is an effective general herbicide for use on non-cropland areas for control of brush and many annual and perennial weeds, and is particularly useful for control of perennial grasses. It is a water soluble liquid to be mixed in water and applied as a spray. It may also be applied undiluted for basal (soil) treatment of brush. Effects are slow to appear and may not become apparent until the chemical has been carried into the root zone of the weeds by moisture. The degree of control and duration of effect will vary with amount of chemical applied, soil type, rainfall, and other conditions.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.  
**STORAGE:** Do not stack more than four drums high. Leaking or damaged drums should be placed in over pack drums for disposal. Spills should be absorbed in sawdust or sand and disposal of in a sanitary landfill. Keep container closed when not in use. Do not store near fertilizers, seeds, insecticides, or fungicides.  
**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.  
**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

NET CONTENTS: \_\_\_\_\_ GALLONS

**DIRECTIONS**  
 Apply this product before or during the period of active growth of plants to be controlled when rainfall can be expected for soil activation. If dense growth is present results will be improved if vegetation is removed before treatment. Do not apply when ground is frozen.

Before spraying calibrate equipment to determine quantity of water necessary to uniformly cover measured area to be treated. Measure the proper amount of this product and mix into the necessary volume of water. After this product has been thoroughly mixed in the spray tank, agitation of the spray solution is not required.

Use a fixed boom power sprayer properly calibrated to a constant speed and rate of delivery. For application with a hand gun sprayer, use at least 200 gallons of spray per acre. For treatment in small areas, a tank type hand sprayer or sprinkling can may be used. For basal (soil) treatment of brush, this product may be applied undiluted with an exact delivery hand gun applicator.

**WEED CONTROL:** To control most weeds for an extended period of time on non-cropland areas such as RAILROAD, HIGHWAY AND PIPELINE RIGHT OF WAYS, PETROLEUM TANK FARMS, LUMBERYARDS, STORAGE AREAS, and INDUSTRIAL PLANT SITES. Apply 12 to 24 gals. This product per acre to control annual weeds and grasses such as foxtail, ryegrass, wild oats, crabgrass,

This product after mixing in water, is non-volatile, non-flammable, and non-corrosive to metals except aluminum. Do not use with aluminum spray nozzles.

**NOTICE OF WARRANTY**

This product conforms to the chemical description on the label hereof and is reasonably fit for purposes stated on such label only when used in accordance with directions under normal use conditions. It is impossible to eliminate all risks inherently associated with use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the method of use or application, all of which are beyond the control of the seller. In so case shall seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
